A vibrant, colorful bouquet of fabric strips and ribbons is arranged in a blue polka-dot vase. The vase sits on a light-colored wooden surface. The background shows a clothing store with racks of clothes and a window. The fabric strips are in various colors including yellow, orange, red, pink, purple, blue, green, and teal. Some strips are long and thin, while others are wider and folded into loops. The overall scene is bright and creative, suggesting a fashion or textile design project.
